

## **Student Achievement Data – 2017-18 Academic Year**

Dunwoody College of Technology, Bachelor of Science in Interior Design

*It typically takes a full-time student taking approximately 15 credits per semester four years to complete the degree program. The students follow the cohort model where a group of students enter together and remain together throughout the program to completion.*

*The following data was collected using institutional records and a graduate survey identifying the employment placement of the 2018 ISDN graduates. Placement is defined as graduates who are seeking employment; obtaining employment in a related field within 6 months following graduation. More than 90% of the graduates participated in the graduate survey.*

### **Student Attrition and Retention**

*81.25% of students admitted in the fall of 2017 returned in the fall of 2018, putting attrition at 18.75%.*

### **Graduation Rates:**

*Of the students graduating in 2018, 30% graduated in 4 years.*

### **Acceptance into Graduate Programs:**

*0 out of 10 students who graduated in 2018 applied for graduate school.*

### **Job Placement Rates:**

*100% of students who graduated in 2018 and were seeking employment are employed in interior design or a related profession.*
