- * Indicates credit for HL assessment only.
- Specific course credit will be awarded when exam content is comparative in nature and material to a Dunwoody course.
- In accordance with Dunwoody's transfer policy, credit will only be awarded when applicable to the student's Academic Plan.
- Credit will be awarded for exams with a minimum exam score of a 3.
- General elective credit will be granted when there are no other places to apply credits on a student's Academic Plan (Arts & Sciences courses only).
