

Individual & Family Medical Insurance

Dunwoody College of Technology does not offer student health insurance and does not endorse any specific company below. The information listed is intended to help students and families have a starting point to research **Individual, Family and Short-term Medical options as well as Prescription, Dental and Vision options. Follow the company links and steps below to begin.**

July 1, 2021, Reviewed & Updated by Dunwoody's Student Affairs Department

www.bluecrossmn.com

1. Click on "Shop Plans" second drop down menu - top of page
2. Click on "Individual and Family Plans"
3. If open enrollment is available select "Get a Quote" from the tile titled "Shopping." If not, call the help line number located in the "How Can We Help" tile

www.healthpartners.com

1. Click on "Services" top line of options listed
2. Click on "Insurance" in the drop down box, second option listed
3. Under the box "I'm buying my own insurance" select "Get a Quote & Enroll"

www.medica.com

1. Follow directions in the first box titled "Shop and Enroll"

www.mnsure.org

1. Click on "New Customers" – top of page, first option
2. Click on "Shop and Compare" – top of page, third option

**Please be aware that many medical plans have specific open enrollment deadline dates. In addition, some providers also have what's called Special Enrollment and Year Round Enrollment.

The following on-line tool helps you compare five health insurance companies when shopping for coverage:

www.ehealthinsurance.com

1. Click on "Find Health Insurance" – top bar, first option
2. Go to "Individual & Family"
