

ENGINEERING WEEK 2024 | *CREATING THE FUTURE*

VIDEO CONTEST

OPEN TO HIGH SCHOOL STUDENTS, CLUBS & CLASSES

WIN!

FIRST: \$500
SECOND: \$250
THIRD: \$100

To enter, submit a 60-second or less video response to the following:

- ▶ If given the chance, what gadget would you re-engineer?
- ▶ How would you approach it, and why would you like to re-engineer it?

SUBMISSION FORM!

Entries should be posted to Instagram. Tag us [@dunwoodycollege](https://www.instagram.com/dunwoodycollege) when you post your video and complete the online form (scan QR code) to be eligible to win.

Video entries must be submitted between Sept. 1, 2023 and Jan. 5, 2024.

Submissions will be judged on the following weighted criteria:

Creativity, clear connection to engineering, identifying a meaningful problem, enthusiasm/engagement, relevance to engineering disciplines, and interesting to age group.

Winning selections will be featured on Dunwoody College of Technology's social media channels and website. Winners will be announced during Engineering Week (February 18-24, 2024). *Need not be present to win. **A complete list of rules & scoring rubric is available on the submission form.***
