

## TEE UP TO SUPPORT STUDENT SCHOLARSHIPS

Help pave the way to a brighter future for students at Dunwoody College of Technology by joining us at our 22nd Annual Alumni & Friends Golf Tournament. Open to all alumni and friends of the College, your participation and support directly benefits students who might not otherwise be able to attend Dunwoody.

Each year top companies, business executives, and professional leaders lend their support to make this event a success. We are so grateful for their continued commitment.

We invite you to join us on the golf course and/or become a sponsor to help more students access the immediate jobs and great careers a Dunwoody education provides.

All net proceeds from the tournament go directly to support scholarships for students pursuing degrees in careers in the technical and high-skill trade fields.
